

Job Captain

AP+I Design is looking for a Job Captain to play a pivotal role in our expanding body of work within the Seattle-Puget Sound area.

We are an agile mix of big-picture thinkers and detail-oriented problem solvers in the fields of Architecture, Interior Design and Environmental Graphic Design. We pride ourselves on service and the strong relationships we have maintained with our clients over the years. Our clients vary across many sectors including high-tech corporate office, venture capital, finance, multi-tenant planning and R+D. Our projects are located both domestically and internationally.

We offer a robust compliment of benefits including 100% coverage of health, dental and vision care, as well as profit sharing, 401K, bonuses and more. All benefits will be outlined upon receipt of an offer letter.

This remote position will support project managers on a wide range of opportunities, with responsibility for everything from space planning, construction documents and detailing, consultant coordination, permitting and construction administration. Training will take place in our Mountain View office and the position may require limited travel.

What Our Expectations Look Like...

- Provide project coordination and documentation required for agency approval, bidding purposes and construction
- Coordinate with consultants during each phase of documentation
- Obtain data from project designer and project consultants for specification preparation
- Review shop drawings and submittals during construction observation phase
- Reinforce the project schedule + budget parameters led by the Project Manager
- Develop new construction details as needed
- Act as team resource for project related technical information

Preferred Qualifications:

- Degree from an accredited architectural or related design program (licensure not required)
- 3-5 years of full-time professional experience
- Proficient in Revit
- Demonstrated ability to organize and produce construction documents in Revit
- Fundamental knowledge of building codes, sustainable design and construction detailing (please list experience with building codes outside Washington)
- Local experience is highly desirable

How to Apply:

This is a full-time position with a complete benefits package. Compensation is based on skills and experience. Please send resume and samples of design work (10 MB max) to careers@apidesign.com. AP+I's office is currently work from home due to COVID restrictions. Some onsite visits to our HQ in Mountain View, CA should be anticipated.

AP+I Design is an Equal Opportunity Employer.

Applicants must be eligible to work in the United States.
