

Senior Interior Designer

AP+I Design is seeking a Senior Interior Designer to play a pivotal role in our Mountain View studio.

About AP+I

AP+I is a woman-owned architectural, planning and interior design firm. We are passionate, client-focused, collaborative and fun! Joining our team requires the ability to put our clients' interests first by developing innovative design concepts and solutions tailored to each project.

If you're interested in being a key design champion within our studio — we'd love to talk to you!

What Our Expectations Look Like...

- Lead the design and vision of projects with a collaborative approach
- Promote design excellence within the studio by communicating strategies through visual + verbal presentations
- Have a keen attention to detail and an awareness for creative and thoughtful design
- Use your advanced knowledge of interiors to guide project team(s) from vision through execution
- Interpret project requirements and goals to effectively develop and define the client's workplace solution
- Engage clients/owners in the design process through relationship building and responsive communication
- Reinforce the design schedule + budget parameters led by the Project Manager
- Coordinate technical solutions with consultants + vendors to ensure seamless integration of the interiors with site, architecture, building systems, lighting, technology, acoustics and furnishings.
- Self-motivated to have the pulse on market trends + industry knowledge relative to our client base
- Active in new business development and key industry events
- Holds a Bachelor Degree, or recognized equivalent, in Interior Design or Architecture from a FIDER accredited program

Preferred Qualifications:

- 7-10+ years of architectural/interiors experience in workplace design
- Experience in actively directing project teams and building long-term relationships with clients and team members.
- Proficiency in Revit, AutoCAD, SketchUp, and the Adobe Suite (Photoshop, Illustrator, InDesign) and the ability to hand sketch concepts
- Experience with Workplace projects
- LEED AP, NCIDQ or CCIDC certification preferred

How to Apply:

This is a full-time position with a complete benefits package. Compensation is based on skills and experience. Please send resume and samples of design work (10 MB max) to careers@apidesign.com. This is an onsite job

AP+I Design is an Equal Opportunity Employer.

Applicants must be eligible to work in the United States.
